PROSKIN 30 TREATMENT (45 min)

£40

Our customised treatment, on your time! Targeting your key skin concern for maximum impact in minimum time, this treatment is a firm favourite with those who have just 30 minutes, want visible results and great value.

DERMAPLANING (1 hour)

£48

Dermaplaning is a physical exfoliation procedure. It requires the use of a sterile, surgical scalpel to gently remove the skin's surface and the top-most layer of dead skin along with fine, vellus hair (aka peach fuzz) help with product penetration. We use our microcurrent to push our products deeper, then relax with a revitalising mask and LED light therapy.

HYDRA FACIAL (1 hour)

£85

The WOW factor.

Bright, hydrated and clear skin. This advance technology is the most progressive wet/dry microdermabrasion service in skin care.

PENTA FACIAL (1 hour 10 min)

£95

The Red Carpet Facial.

5 in 1 skin care treatment, starting with a deep microsonic cleanse, followed by wet/dry hydradermabrasion to soothe and tighten the skin. Then using microcurrent and ultra sound for the ultimate combination of sonophoresis and iontophoresis for optimum product penetration.

Using our prescribed facial mask sheet placed on the face while we push deeper using our microcurrent, followed by our LED light therapy leaving your skin feeling smooth, firm and radiant looking.

Brings you back to a younger you!
